

Partnership Board - Register of Interests 26th November 2019

At each meeting of the Partnership Board, all members are required to declare any interests in the items on the agenda for that meeting. To support transparency, the Board also publishes this composite register, which is compiled from the registers of interest published by partner organisations.

Please note that although all Board members will be required to declare any interests relevant to Partnership Board agenda items, not all members are required to declare interests on a publically available register.

Name	Role on Partnership Board	Organisational role	Link to register of interests on organisation website
